Hand Piecing Project

by Pioneerlady at Pithyponderings

Harvest Berries

Finished Block 16" Square

This block is a combination of piecing and applique. After piecing the hexagons, I recommend applying it to the background fabric with an applique stitch. Then applying the vine and leaf.

- You will need 1/2 yard of background fabric. Cut an 18" square. Wait to trim it to 16.5" x 16.5" after applying the constructed hexagon unit and the vine elements.
- You will need 3 red fabrics **or** 3 orange/brown fabrics.
- You will need a scrap of green for the leaf. (2 leaf shapes are provided see pg 3 & 5)
- For the vine, you can either use thin bias strips, ribbon, or yarn.

All template pieces on the following pages are drawn without seam allowances.

I have provided templates in color and in outline. You can use whichever you choose.
