Pentagon Bauble or Flowers

3 sizes provided

Make it scrappy or make it 2 color, either way will look nice as a round bauble ornament.

Or you could sew it incorrectly, like I did, and have a star bauble.

A third possibility is to sew the pentagons together as an applique.

Whichever way you choose, you will need very little fabric. It is a great scrap buster as well as stash buster.

All template pieces on the following pages are drawn without seam allowances.

I have provided templates in color and in outline. You can use whichever you choose.
