Merry Star

Finished Block 10" Square

A wonderful block for two fabrics.

*Changing the block just a bit but
remaining two color gives a second option.*

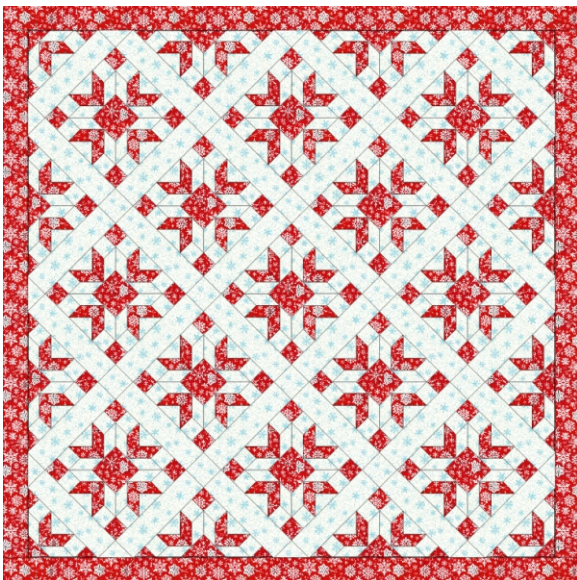

Block requires 1/8 yard of the red and a 1/4 yard of the cream.

Unlike some blocks where scrappy or extra colors work, this block will change its look entirely when more than two colors are used.

*All template pieces on
the following pages are drawn without seam allowances.*

*I have provided templates in color and in outline. You can use
whichever you choose.*

*I've shared this block
(minus its border)
in a layout showing
how it can look when
set on point
in a quilt.*
