Hand Piecing Project

New Year's Eve

Finished Block 10" Square

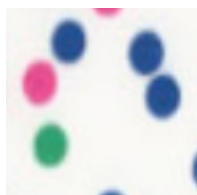

The key to this block is using a high contrasting fabric for the large diamond shapes. Using only 2 fabrics and setting the block on point changes the look of the block quite a bit.

An 1/8 yard cut of fabric will be enough for fabrics A, B, C, and D.

All template pieces on the following pages are drawn without seam allowances.

I have provided templates in color and in outline. You can use whichever you choose.
