Octagon Star

Finished Block 10" Square

A simple diamond and triangle star that forms an octagon when the pieces are joined. While in this case its set into a square block, the center could easily be used on its own. Lovely in many color combinations.

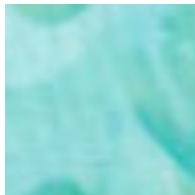

A An 1/8 yard cut of fabric will be enough for fabrics A, B, C, D, and E.

E

All template pieces on the following pages are drawn without seam allowances.

I have provided templates in color and in outline. You can use whichever you choose.
