Rising Sun

Finished Block 10" Square

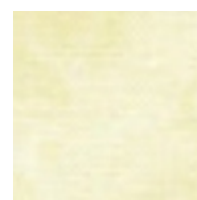

This is another block that is quite similar to many modern blocks. It was published under the name Rising Sun in 1930. It is also known as Wheel of Fortune.

An 1/8 yard cut of fabric will be enough for fabrics A, B, and C.

You can certainly make this a two color block as well. Just remember to cut the larger pieces first.

All template pieces on the following pages are drawn without seam allowances.

I have provided templates in color and in outline. You can use whichever you choose.
